SCHOOL INFORMATION

We are proud of our friendly 'team-working' approach and the way in which we make a difference to the children we serve. To help you consider your application, here is some information about how we operate. We hope that this will help you to get to know more about us, and encourage you to visit if you have not already done so.

In our school, we aim to provide a wide range of learning experiences where children will gain a positive self-image to help them on their path as successful and happy, lifelong learners.

There are many opportunities for children to develop their skills whatever their level of ability, in an environment of equal opportunity, irrespective of race, gender, religion or disability. It is important for us that we provide as many opportunities as possible at this age, so that children will have a wide range of experiences to draw from in later life.

We have a mission, that "Costock C of E Primary School will provide an inclusive environment for all, within which we will enable children, staff and parents, carers and the community to achieve excellence in all they do and empower them to want to do their very best."

The purpose of our school is to provide the best possible teaching and learning for every child. This is achieved through a supportive and purposeful three-way partnership between the school, the parents and the children, so that all partners can enjoy learning together and be helped towards reaching the highest possible standards.

Costock C of E Primary School is situated in the village of Costock, between Nottingham and Loughborough. The catchment area includes the villages of Rempstone and Wysall and a bus provides transport for pupils from the villages to and from the school. The number of pupils on roll currently 97.

The school is affiliated to the Church of England and has Voluntary Controlled status. The children are organised into four classes; a Reception class and 3 further classes with mixed year groups.

The school aims to engender a family atmosphere in which children are cared for and supported in a broadly Christian ethos. The school plays an active part in the life of the local church, participating in services and highlighting the main Christian festivals. A recent Anglican Schools Inspection stated that the school is 'a very happy and effective learning community'.

There is an active Parents' Teachers Association which meets frequently to discuss issues and arrange fund raising events. The school has received considerable financial support for equipment, projects and educational visits. The school also enjoys the support of a Governing Body which is committed to a high quality education for all children and the involvement of the school in the community.

SAFEGUARDING CHILDREN POLICY STATEMENT

Nottinghamshire County Council is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults. We will respond robustly to all concerns about the safety and welfare of children, young people and vulnerable adults that are reported to us. This commitment applies equally to children and young people that we work with directly and those that we come into contact with. We expect all staff and volunteers to share this commitment.

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We will endeavour to provide a safe and welcoming environment where children are respected and valued. We will be alert to the signs of abuse, neglect and risks linked to online harm and follow our procedures to ensure that children receive effective support, protection, and justice.

Everyone who works at the school understands they are an important part of the wider safeguarding system for children and accepts safeguarding and promoting the welfare of children is everyone's responsibility and everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all our staff, including supply staff and volunteers will ensure their approach is child-centre and will be supported to consider, at all times, what is in the best interests of the child.
